- Enrollment as an elective course student is intended for students from other Dutch universities who are not admissible for a study program at the TU/e, but who have been given permission by the examination committee of their own program to study one or more subjects at the TU/e.
- It is not possible to register as an elective student at the TU/e when you are enrolled at an institute of higher professional education (HBO).
- Only when all documents have been submitted we are able to process your enrollment request.
- After the registration deadline for courses we can not guarantee your enrollment into the courses anymore.  
For the current deadlines please visit <https://educationguide.tue.nl/studying/planning/enrolling-courses-and-examinations/>

Please submit this form, together with the required documents, to Education and Student Affairs (ESA), MetaForum 1.214 or send by email to esa@tue.nl
