

Terms and Conditions Holland Scholarship 2022/2023

1. Procedure

Holland Scholarship grant 2022/2023: 1250 euro

Payment Holland Scholarship grant

- An **amount of 75%** of the Holland Scholarship is paid in advance to students who are selected for the Holland Scholarship grant and have completed their application in Mobility Online (including Learning Agreement and Grant Agreement).

After the end of the exchange/internship period abroad

- Within six weeks after returning to the Netherlands, the student will upload the signed **Statement of Host Institution** and **Experience Report** in Mobility Online.
- Note: the student will contact his departmental internationalization coordinator to discuss what forms he has to submit to the department to finalize his exchange/internship period abroad.
- After receiving the Statement of Host Institution, Experience report, and when applicable, the final LA and transcript of records, ESA/io will transfer the **remaining amount** of the Holland Scholarship grant (**25%**).
- When the student fails to complete his workflow in Mobility Online, the already paid part of the Holland Scholarship grant will be claimed by ESA/io.
- In case the exchange or internship abroad has not been performed, the amount already paid will be recovered.

2. Terms and conditions

- Holland Scholarship provides financial support to TU/e students for travel and extra expenses during their exchange/internship abroad. A limited number of Holland Scholarship grants are available. The number of grants are divided amongst the 4 quartiles. Students who apply for a grant before the dates/deadlines mentioned on www.tue.n/goingabroad automatically enter the competition for the Holland Scholarship grant. The grants are allocated based on ranking of the study results of the applicants during their current study program.
- A student is eligible to apply for Holland Scholarship when he meets the following criteria:
 - a. Student is enrolled as a fulltime student with main registration at the TU/e;
 - b. Student actually studies at TU/e;
 - c. Student cannot participate in the Erasmus+ Study, Erasmus + Placement, Holland Scholarship program or does not participate in a Summer school where TU/e refunds a significant part of the costs;
 - d. The student will do his exchange/internship outside the EU/EER;
- There is no right to receive a Holland Scholarship grant when the exchange/internship abroad period of the student is shorter than 12 consecutive weeks (3 months/90 days).
- The student is only entitled to receive Holland Scholarship when the student obtains at least 15 ECTS for his exchange/internship abroad.
- A student can receive the Holland Scholarship grant only once during his study program at TU/e.
- During his exchange/internship, the student actually lives abroad in the country where the foreign host university, institute or company is located.
