

Form composition Graduation Committee EE

Version 29 August 2022

Name of student:	ID number:
EE graduation supervisor:	
Graduation research group:	
Voting member 1: (EE chair of committee) <i>Responsible for the assessment (including double degree assessment), EE staff member with 'ius promovendi'. Please mention title and research group.</i>	
Voting member 2: (EE graduation supervisor) <i>Responsible for the graduation work, any EE assistant professor, associate or full/part-time professor, or anyone explicitly appointed by the EC. Please mention title and research group.</i>	
Voting member 3: <i>post-doc, assistant professor, associate or full/part-time professor not belonging to the research group in which the student performs the graduation project. Please mention title and research group.</i>	Optional voting member 4: <i>post-doc, assistant professor, associate or full/part-time professor not belonging to the research group in which the student performs the graduation project.</i>
Non-voting (advisory) member(s) 1 or 2: (coach) <i>EE staff member, post-doc, PhD student, technician, staff member from company host.</i>	

At least one voting member comes from a different research group than the group of the supervisor. The graduation supervisor and panel chair must be different persons.

The student has done a double degree program (**please tick the box**). The secretary of the Examination Committee EE will be checking the composition of both committees (see Appendix 10 of the RE EC EE).
