

# Design the Future of Orthopedics.

Improve Peoples Lives.

We are **Manometric**.

We transform Orthotics and Prosthetics from **medical necessities** to **desirable fashion**.

With our **proprietary 3D technology** we increase efficiency **from 5 hours to 5 minutes**.

## Are you...

...**curious** and **pro-active** by nature?

...**hands-on** and not afraid to get your hands dirty?

...passionate about **improving peoples lives**?

**Then we are looking for you!**

**manometric**
