SPECIALIZATION COURSES (required 9-10 EC)		
If specialization courses are not from the standard approved SELECT specialization courses, add an approval with motivation from your mentor. The examination committee has to approve this first (Examination.Committee.AT.SC.SET@tue.nl). For an overview of the approved SELECT specialization courses see PER SET – Appendix 1.B and the manual 'SELECT TUE 2022-2023 student information'.

Email the form to CSA.AT.SC.SET@tue.nl and deliver a copy to your supervisor. When your course program is approved it will appear in Osiris.

*Your mentor is your thesis supervisor. According to TU/e regulations you need to have a mentor; KIC regulations require a supervisor. In practice it's two words for the same person.

Declaration concerning the TU/e Code of Scientific Conduct

I have read the TU/e Code of Scientific Conduct.

In carrying out research, design, and educational activities, I shall observe the five central values of scientific integrity, namely: trustworthiness, intellectual honesty, openness, independence, and societal responsibility, as well as the norms and principles which follow from them.
