PYNQ-Z2-kit EE/AU

Dear Student,

Hereby the information for the payment of the PYNQ-Z2-kit.
The cost of the PYNQ-Z2-kit is €150,--.(One hundred and fifty Euro).

You can only pay in advance via bank transfer (**not** cash or by pin transaction).

> **Bank account: NL 42 RABO 0158249658**
> **In the name of: Technische Universiteit Eindhoven,**
> **Stating: 361000-1 OA200856-10 followed by your**
> **name and student number.**

The PYNQ-Z2-kit contents:

1 PYNQ-Z2-board
1 micro-SD-card (already prepared)
1 USB-cable (USB A-micro-USB)
1 LCD-Screen

On pick-up, check the contents of your PYNQ carefully to
make sure nothing is missing. If any items are missing from your PYNQ, please mention this,
it will be corrected on the spot. After you have picked up your kit, you have 1 month to check
your kit for defects. If this is the case, please contact the managers of the PYNQ-Z2-kit
(Education Support General Lab Facilities EE) in Flux 0.086 or 0.088.
education.support.general.lab.facilities.ee@tue.nl

Please note that that a LAN ethernet-cable is required to connect the PYNQ-Z2-board to
your laptop. This is not included in the kit, but already included in the TU/e laptop-project.
If you bring your own device, please make sure that you buy a Lan ethernet-cable yourself.

More information about the PYNQ-Z2-kit you can find it on https://pynq.tue.nl/

Kind Regards,

The team Education Support General Lab Facilities EE
