

Form composition Graduation Committee MSc AP

Submit this form at least 10 days before the defense.

Version September 2024

valid for 2024-2025

Student number: _____

Course code: _____

Name student: _____

Defense date: _____

<p>Voting member 1: <i>is the responsible Applied Physics supervisor, also TU/e examiner, and chair</i></p> <p>Title: _____ Name: _____ Research group: _____ Department: _____</p>	<p>Voting member 2: <i>is a TU/e examiner not belonging to the research group of the responsible Applied Physics supervisor (first TU/e examiner)</i></p> <p>Title: _____ Name: _____ Research group: _____ Department: _____</p>
<p>Voting member 3: <i>If member 2 is not from the Applied Physics department, member 3 must be an examiner from the Applied Physics department</i></p> <p>Title: _____ Name: _____ Research group: _____ Department: _____</p>	<p>Optional voting member 4: <i>An examiner from TU/e or another university.</i></p> <p>Title: _____ Name: _____ Research group: _____ Department: _____</p>
<p>Non-voting (advisory) member(s) 1 or 2: <i>Experts and daily supervisors (e.g., company Supervisor, PhD, postdoc) without an examination qualification may act as an advisor</i></p> <p>Name non-voting (advisory) member 1: _____ Name non-voting (advisory) member 2: _____</p>	
<p>Acknowledgement(s): <i>Check box if applicable</i></p> <p><input type="checkbox"/> Theory for Technology <input type="checkbox"/> Quantum Technology</p>	

Note:

- All voting members should be at least assistant professor level.
- At least one voting member comes from a different research group than the group of the supervisor.

In case of a **double diploma program**, please fill in the committee of the second program below.

<p>Graduation committee of the second program: <i>Please mention title, research group and department</i></p> <p>Chair: _____ Member 2: _____ Member 3: _____ Optional member 4: _____</p>

Date: _____
