		total		120	

Find the complete program overview for the master programs ABP and CME, including electives, and showing timeslots, at: educationguide.tue.nl/gs/abp, and: educationguide.tue.nl/gs/cme

Here you can also find more information on the certificate programs, internships and following courses at another university (abroad).

¹ You can use the remaining space for electives to:

- Follow electives offered to all core programs of the master ABP
- Follow core courses or specialization electives from other core programs within the master ABP
- Courses from other master programs within Graduate School, e.g. Construction Management and Engineering
- Do an internship in the Netherlands or abroad
- Do the Building Technology, Construction Technology or Circular Design certificate programs
- Follow courses at another university in the Netherlands or abroad
