**Please submit this form (signed by your mentor and yourself) to the Examination Committee via Osiris Case in Osiris Student**

## Declaration concerning the TU/e Code of Scientific Conduct

I have read the TU/e Code of Scientific Conduct<sup>i</sup>.

In carrying out research, design and educational activities, I shall observe the five central values of scientific integrity, namely: trustworthiness, intellectual honesty, openness, independence and societal responsibility, as well as the norms and principles which follow from them.
