

Bilateral agreements with partner institutions for following courses abroad, department of Electrical Engineering TU/e

Disclaimer:

This document is a conditional list of partner institutions for following courses abroad. Please be aware that set conditions apply per agreement. Please always check with ee.exchange@tue.nl upon the actual possibilities regarding institutions you may be interested in, since they must be suitable for your situation.

Be aware:

Institutions listed with * are TU/e central bilateral agreements, a division of semester spots per department will be made centrally. It may occur that no spots are available for the department of Electrical Engineering or that additional requirements apply. If you are interested in an institution that is marked as a central bilateral agreement, please contact ee.exchange@tue.nl for the most up-to-date information.
