I accept that sending the degree by Express mail is at my own risk. The TU/e is not responsible in case the document gets lost. Neither can the TU/e provide me with a new diploma.

Please note that:

- About one day after we have sent your diploma, we will receive a Track and Trace number which we will forward to you.
- In case the information given above is not correct, the diploma will be returned to us.
- In case TNT does not find anyone home several times, the diploma will be returned to us.
