

My MCE specialization*:

Chemical and Process Technology (CPT)

Molecular Systems and Materials Chemistry (MSMC)

* Mark the relevant box. As long as no limitations apply formulated by the admission board, you are free to change the specialization on any later moment. The moment you ask the Board of Examiners for permission to start the graduation project, your specialization will be finalized.

Declaration concerning the TU/e Code of Scientific Conduct

I have read the TU/e Code of Scientific Conductⁱ.

In carrying out research, design and educational activities, I shall observe the five central values of scientific integrity, namely: trustworthiness, intellectual honesty, openness, independence and societal responsibility, as well as the norms and principles which follow from them.
