

Assessment Committee Form, version 04-02-2021

To be completed by the graduation supervisor, no later than 1 month before the presentation date

Name student :

Id. number :

Master program :

Date presentation and defense thesis:*

The Assessment Committee consists of the following members
(for prerequisites see Article 6 of the graduation regulations):

Members of the committee:	Role
1.	graduation supervisor from chair *
2.	tutor / additional member from ***
3.	voting member from chair **
4.	advisor (non voting member)

* Presentation date is tentative, can however not take place before the mentioned date above.

** Requirements for specific chair differ per master program (for precise rules see the graduation regulations). If the chair is from another department, please note the department too.

*** If the graduation supervisor was also the tutor an additional committee member is required.

Strike through what's not applicable;

The tutor can only be listed if he/she was the daily (company) supervisor of the student;

If the tutor is from an external company, list the company name, otherwise the chair;
