

Welcome !

Premaster students ABP and CME

Josée Pulles academic advisor BE
Koos Blankestijn master coordinator BE

Department Built Environment

Premaster programs

	Code	Course name	EC			
ABP / AUDE Architecture	2DB03	Calculus	3			
	7XX11	Introductory course Architecture	2	7U9X0	Research and Statistics	5
	7T8X0	Architecture and Technology	5	7X3X0	History of Europ. Architect. and Urbanism	5
	7XX10	Entrance Project Architecture				10
ABP/AUDE Urbanism	2DB03	Calculus	3			
	7XX11	Introductory course Architecture	2	7U9X0	Research and Statistics	5
	7W7X0	Urban Planning	5	7X3X0	History of European Architecture and Urbanism	5
	7WW10	Entrance Project Urbanism				10
ABP / BPS	2DB03	Calculus	3			
	7XX11	Introductory course Architecture	2	7U9X0	Research and Statistics	5
	7S4X0	Building Physics and Building Services Engineering	5	2DBA0	Matrices and Differential Equations	5
	7SS05	Entrance Project BPS	5	7S8X0	Building Services	5

Premaster programs

	Code	Course name	EC			
ABP / SED	2DB03	Calculus	3			
	7XX11	Introductory course Architecture	2	7U9X0	Research and Statistics	5
	7POX0	Steel Structures and Applied Mechanics	5	2DBA0	Matrices and Differential Equations	5
	7PP05	Entrance Project Structural Design	5	7P9X0	Concrete and Masonry Structures	5
ABP / USRE	2DL10	Premaster Calculus and Probability	5	7U9X0	Research and Statistics	5
	7W7X0	Urban Planning	5	7U7X0	Urban Projects and Finance	5
	7UU10	Entrance Project USRE				10
CME	2DL10	Premaster Calculus and Probability	5	7U9X0	Research and Statistics	5
	7W7X0	Urban Planning	5	7U7X0	Urban Projects and Finance	5
	7CM10	Entrance Project CME				10

7xx11

2020

Introductory course architecture (7XX11)
2020

Department: The Built Environment
Coordinating unit: Unit Architectural Urban Design and
Credits (ECTS): 2 EC
Category:
Course type: Pre master
Instruction language: English

Registration courses and exams

Quartile 1 and 2: we register you for all courses and exams. Every course has one re-sit possibility at the end of the next Quartile

If you don't pass an exam,
we will register you for the re-sit exam

- Re-sit courses Q1: at the end of Q2
- Re-sit courses Q2: at the end of Q3

Study Progress Requirements

Complete your premaster within one year

Report personal circumstances immediately at the academic advisor

Extra opportunity to complete one last course, in August 2022

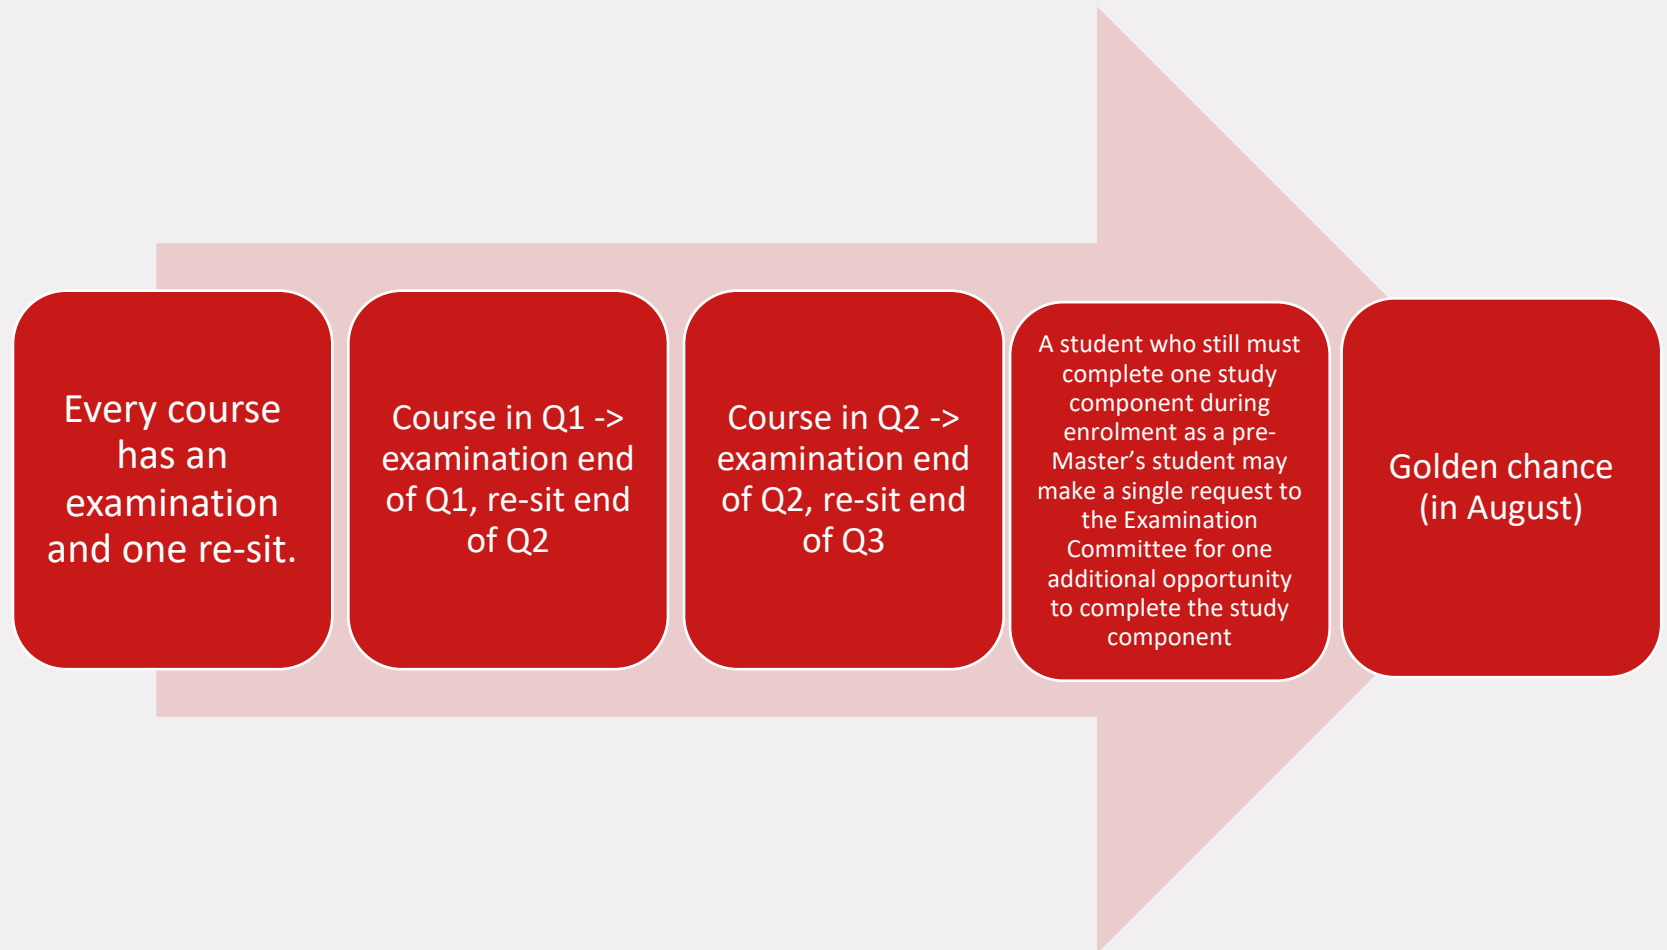

Students may not take part or be examined in master study components

Extra bachelor courses are allowed, payment via esa@tue.nl

Examinations and re-sits

building your future: you do it yourself, but not alone!

Academic advisor

- *Study related issues:*
 - study program and study progress
 - catching up on lectures or exams because of illness
 - issues with students or lecturers
- *Personal issues or circumstances:*
 - physical or emotional problems getting in the way of study progress
 - Family circumstances

The academic advisor can refer to a student counsellor, student psychologist, study management advisor or general practitioner.
