The screenshot displays the 'Course catalogue' interface. On the left, a sidebar contains a list of filter categories: Academic year, Quartile (start of course), Timeslot, Category, Course type, Faculty, Capacity group / Section, and Lecturer. Each category has a dropdown arrow. Above this list is a 'CLEAR FILTERS' link. On the right, the search results area shows a search bar with the query '7xx11' and a filter for the year '2020'. Below the search bar, it states '1 course found'. The result is for the 'Introductory course architecture (7XX11) 2020', with details including the department (The Built Environment), coordinating unit (Unit Architectural Urban Design and Credits (ECTS): 2 EC), category, course type (Pre master), and instruction language (English).

Registration courses and exams

Quartile 1: we register you for courses and first exams. Every course has one re-sit possibility at the end of Quartile 2.

You have to register yourself for re-sit exams and for the courses of Quartile 2.

- Re-sit courses Q1: at the end of Q2
- Re-sit courses Q2: at the end of Q3
