

List of courses that cannot be taken as electives by students of the Bachelor Industrial Engineering

2024-2025 - Version October 2024

NOTE: This list is not exhaustive. We advise students to check the course description in Osiris, the overlap in content with core courses and if you select a course from another department check the excluded courses list of the relevant department as well. In case of doubts, always contact your Academic Advisor.

The examination committee will check your study program when you submit your program through the PlanApp, when you completed 90 ECTS and have planned 180 ECTS.
