

Personal information

Student Name:

ID-number TU/e:

MSc program: EIT Digital Embedded Systems (exit-point)

Entry-point university:

Graduation Supervisor:

Expected research group:

Date of enrollment:

Graduation Project

Course code	Course title	credits
2IMC00/ 5T746	Master Project/Master thesis ES-E	30
Subtotal credits		30

Entry-point university courses (at least 60 credits)

Course code	Course title	credits
Subtotal credits		

TU/e courses compulsory

Course code	Course title	ects
2IMN10	Architecture of Distributed Systems	5
5LIC0	Networked Embedded Systems	5
1ZS30	Innovation and Entrepreneurship Study	6
2IMN15	Internet of Things	5
Subtotal credits		21

TU/e Elective courses (at least 10 credits)

Course code	Course title	credits
Subtotal credits		10

Total amount of credits (at least 120 credits)
