Rugby Course

Ready for an adventure on the field? Join the E.S.R.C. The Elephants rugby course and immerse yourself in the world of rugby. Over a course of 8 weeks, you'll learn everything about this dynamic sport, from tackling to precision passing. You will train alongside other students who have no prior rugby experience. When you join our rugby course, you embark on an exciting journey of learning and fun. Our enthusiastic coaches will guide you every step of the way, helping you improve your skills and grow as a team player. After the training sessions, you can unwind and have some drinks in our clubhouse together with the other members of The Elephants. Each week brings new challenges and lots of fun, so you'll not only master the intricacies of rugby but also have an amazing time!
