

## Footnote Tuition fee

<sup>1</sup> Nationality requirements:

- The student must be a national of one of the EU countries or of Norway, Switzerland, Iceland, Liechtenstein or Suriname, or
- The student has a different nationality, but his residence permit does entitle him to student finance. To determine whether this applies to you, review the Nationality Scheme on DUO IB Group. If your residence permit entitles you to student finance, we will need to see a copy of the DUO-IB group letter that proves that you are entitled to student finance.

<sup>2</sup> For the additional administrative actions related to the payments for taking master's courses, administration costs are levied equal to the administrative costs in the case of staggered tuition fee payment (€ 24).

<sup>3</sup> If the TU/e is an exit point, the student will take the second year of the two-year program at TU/e. The student will have taken the first year at one of the partner universities. The student will in that case be enrolled for one year as a student at the TU/e.

<sup>4</sup> If the TU/e is an entry point, the student will take the first year of the two-year program at the TU/e. The student will take the second year at one of the partner universities. In that case, the student will be enrolled as a student at the TU/e for both years.
