TIMETABLE MASTER’S ONLINE OPEN DAY

9:30 AM – 10:00 AM
Studying a Master’s at TU/e – for internationals

9:30 AM – 10:00 AM
From a University of Applied Sciences (HBO) to TU/e – starting a pre-master

10:15 AM – 12:30 PM
Presentations master’s programs including Q&A

10:15 – 11:00
- Applied Physics
- Biomedical Engineering + Medical Engineering (Dutch program)
- Computer Science and Engineering
- Data Science in Business and Entrepreneurship
- PhD
- Science and Technology of Nuclear Fusion
- Systems and Control

11:00 – 11:45
- Architecture, Building and Planning
- Data Science and Artificial Intelligence
- Electrical Engineering
- Human-Technology Interaction
- Industrial Design
- Mechanical Engineering
- Operations Management & Logistics

11:45 – 12:30
- Artificial Intelligence and Engineering Systems
- Automotive Technology
- Chemical Engineering - for students with a degree from an university of applied sciences (HBO)
- Construction Management and Engineering
- Embedded Systems
- Industrial and Applied Mathematics
- Innovation Management
- Science Education (Dutch program)
- Sustainable Energy Technology

12:30 PM – 12:00 PM
From a University of Applied Sciences (HBO) to TU/e – starting a pre-master

13:00 PM – 13:30 PM
Studying a master’s at TU/e – for internationals

12:45 PM – 16:00 PM
Presentations master’s programs including Q&A

13:45 – 14:30
- Applied Physics
- Biomedical Engineering + Medical Engineering (Dutch program)
- Computer Science and Engineering
- Data Science in Business and Entrepreneurship
- ErgD
- Science and Technology of Nuclear Fusion
- Systems and Control

14:30 – 15:15
- Architecture, Building and Planning
- Data Science and Artificial Intelligence
- Electrical Engineering
- Human-Technology Interaction
- Industrial Design
- Mechanical Engineering
- Operations Management & Logistics

15:15 – 16:00
- Artificial Intelligence and Engineering Systems
- Automotive Technology
- Chemical Engineering - for students with a degree from an academic university (WO)
- Construction Management and Engineering
- Embedded Systems
- Industrial and Applied Mathematics
- Innovation Management
- Sustainable Energy Technology

9:00 AM – 16:00 PM
Master’s programs booths including chat
The booths are available all day and filled with content about the specific programs such as course descriptions, a program video and much more. Also, you can reach students all day via chat.

9:00 AM – 16:00 PM
Featured booths
These booths are filled with information to get to know the university, the campus and Eindhoven
- Why study at TU/e
- Get to know the campus
- Student life in Eindhoven
- MSc admission procedure
