MedTech Day 2023

An integrated approach for
future-proof healthcare

Prof. mr. M.C. (Corrette) Ploem - Amsterdam University Medical Center

Prof. mr. M.C. (Corrette) Ploem is a legal scholar with extensive experience in research and teaching in the field of health law. She is specialized in the legal aspects of medical research and new technologies, such as whole genome analysis, iPS-research, AI, and so on. She wrote a PhD-thesis on privacy and data research and participated in numerous research projects. In 2010 she published a report on the privacy aspects of data and tissue research and biobanks in commission of the Dutch Association for Health Law. Among other things, she is a member of the Dutch Health Council, the Central Committee on Research Involving Human Subjects, and she is editor-in-chief of the Dutch Journal of Health Law. Since 2022 she is professor on special appointment because of the Royal Dutch Medical Association on 'Law, health care technology and medicine' at the Law Faculty of the University of Amsterdam.
