## MedTech Day 2023

An integrated approach for  
future-proof healthcare

### **Dr. M. P. Buise (Marc) - Maastricht University Medical Center**

Marc Buise is a consultant in Anesthesia and Critical Care. He is head of the department of Anesthesia in Maastricht University Medical Center after working sixteen year in the Catharina Hospital Eindhoven. His research fields of interest are health care innovation, Anesthesia for Oncologic and gastro-enteral surgery, postoperative cognition and delirium and ICU after care. Besides research his interest is in teaching and training of medical students and residents. He is the initiator of Post-ICU, a digital diary for ICU patient, relatives and health care professionals. The diary is in use in more than 20 hospitals in the Netherlands and in several hospitals in the USA and Scandinavia.
