WHAT DO WE DO TO SUPPORT STUDENTS AFFECTED BY THE WAR IN UKRAINE?

TU/e strongly rejects the war in Ukraine and we sympathize with everyone affected by it.

We have created a new webpage, where we publish up-to-date information with regard to this unprecedented situation:

www.tue.nl/en/news-and-events/war-in-ukraine/.

On this webpage, you can find information on:

2. Receive an email with a link to the TU/e online application form.
3. Upload the required documents* www.tue.nl/en/education/become-a-tue-student/admission-and-enrollment/documents-for-admission/.

* Please note:

If there is a document which you cannot provide currently, please upload a blank page with a simple self-written statement that you cannot provide that document at the moment. Q&A

Q1: Do I have to pay in order to apply for a TU/e bachelor's or master's program?

A1: TU/e has decided to waive the application fee of €100 for students from Ukraine, so you are not required to pay, in order to apply.

Q2: What is the tuition fee?

A2: The decision on tuition fee and funding for other study costs needs to be taken by the Dutch government and the Dutch institutions of higher education. We will update our website as soon as this information becomes available.

Q3: I was already enrolled in a university in Ukraine. Can I transfer to TU/e and continue my study here?

A3: This question is also under the attention of the national policy makers. As soon as we have information, we will post it on our website: www.tue.nl/en/news-and-events/war-in-ukraine/.

In general, it is not possible to transfer to TU/e. Students always have to apply to the first year of the bachelor's or master's program of their choice. The Examination Board of the relevant department can then decide if they can have an exemption for certain courses. If there is a new decision with regard to this, we will publish it on our website.
