

CWTe Research Retreat 2014:

Closing

Peter Baltus
20141022

Wrapping up...

- **Many CWTe project presentations & posters**
- **All related to industry in some way**
- **We always like cooperation with innovative industry:**
 - **Small & Large, Local & Global**
- **Various services available from TU/e:**
 - **Internships & graduation projects**
 - **PDEng & PhD**
 - **Permanent staff & consultancy**
 - **Student projects through Sure**
 - **Infrastructure & LabX**

Cooperation models

- **Strategic Partnerships:**
 - **Structural cooperation at program level**
 - **Participating in Program Board:**
 - **Defining, Initiating & Reviewing Projects in Program**
 - **Reviewing & Updating program roadmaps**
- **Project Partnerships:**
 - **Bilateral**
 - **NL/EU (co-)funding: HTSM/OTP/Perspectief/H2020/...**
- **Research Partnerships**

Moving to Flux: Differences with Potentiala

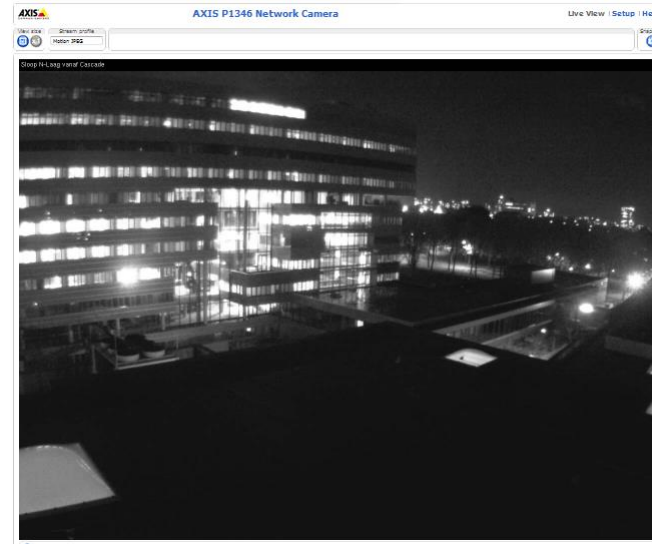

- **Potentiaal:**
Proof of thrifty organization
- **Not suitable for excursion/retreat**
- **Last opportunity**
- **Virtual tour!**
